Erratum to: Real-World Impact of Prophylactic Growth Factor Use on Timing of Febrile Neutropenia and Infection After High-Risk Chemotherapy

In the September 2023 issue of JNCCN, in the article “Real-World Impact of Prophylactic Growth Factor Use on Timing of Febrile Neutropenia and Infection After High-Risk Chemotherapy” by Blayney et al (J Natl Compr Canc Netw 2023; 21[9]:945–950.e16; doi:10.6004/jnccn.2023.7044), a spelling error occurred in the last name of coauthor Ramon Mohanlal, MD, PhD. This has been corrected online at https://jnccn.org/view/journals/jnccn/21/9/article-p945.xml. The authors and editors apologize for the error.
